

Dear Friend & Supporter:

We are pleased to announce the **2012 Erik Compton Golf Classic** benefiting Transplant Foundation, Inc.

Monday, March 12, 2012
Deering Bay Yacht & Country Club
13610 Deering Bay Drive, Coral Gables, Florida

Golf – Lunch – Player’s Package – Silent & Live Auction – Dinner and Awards Banquet

There are a few indisputably outstanding stories in the PGA, and Erik Compton is one of them. Erik Compton is on his third heart. Erik’s story is both heartbreaking and inspirational. He was diagnosed with a heart ailment at age 9 and received his first transplant in 1992 at age 12 and his second heart transplant in 2008. His rise to the No. 1 junior in the nation, college all star and professional on the PGA Tour is an inspiration to other kids and adults awaiting a life saving transplant. He is someone doctors can point to in lifting the hopes of patients on organ donor waiting lists. He is devoted to raise awareness through Transplant Foundation Inc.

How can you help?
